

CURRICULUM VITAE 2021

Mr Roland Morley Consultant Urologist

MBBS, FRCS, FRCS (Urol)

Subspecialist Consultant Urologist for

Female and Functional and Reconstructive Urology

Imperial College Healthcare NHS trust

Expert Advisor to NICE and NHS England

PRESENT POSITION

Consultant Urologist, Imperial College Healthcare London - October 2015 onwards
Subspecialist in Female Urology and Benign and Gender Reconstruction

PAST POSITIONS

St George's Hospital Medical School 1977 - 1982

Surgeon Lieutenant Commander - Royal Navy August 1979 – October 1987

Consultant Urologist, Kingston Hospital April 1998 – October 2015

Divisional Director of Surgery/Critical Care February 2012 - February 2014

Director of Medical Education March 2009 – March 2012

Clinical Lead Urology 2006 – 2012

DIVISIONAL DIRECTOR OF SURGERY ANAESTHETICS AND CRITICAL CARE[2012-2014] My role as Divisional Director included all surgical disciplines including anaesthetics with a budget of £54M. My tasks were to maintain safety and clinical standards together with streamlining surgical services, improving theatres and day case surgery, developing networked services and maintaining our cost improvement programme in a difficult NHS financial climate. This included maintaining standards of training.

CLINICAL GOVERNANCE AND NATIONAL ROLE FOR SETTING QUALITY ASSURANCE AND GOVERNANCE STANDARDS

National Institute Clinical Excellence (NICE): I previously sat on the New Devices Committee that reports to NICE and I am an external assessor for NICE in relation to devices and invasive therapies for incontinence.

CHAIR FOR THE BRITISH ASSOCIATION OF UROLOGICAL SURGEONS (BAUS) SECTION OF FEMALE UROLOGY NEUROLOGY AND URODYNAMICS (SFNNU)

1. I was Secretary of the BAUS Female Urology and Reconstruction 2010 -2013.
2. I was Chair for 2013- 2016 and I am a member of BAUS Council.
3. I chaired the subcommittee on information and consent for the NHS England Review of the use of mesh for prolapse and urinary incontinence surgery that reported in 2016. I am on the NHS Advisory Committee for the Cumberlege Mesh

Review .

CHAIR SPECIALIST ADVISORY COMMITTEE UROLOGY

Overseeing all Urological Training in the United Kingdom

Chair - 2016 – 2019

Vice Chair 2013 - 2016

Curriculum Lead 2014 -2019

CHAIR JOINT COMMITTEE ON SURGICAL TRAINING QUALITY AND ASSURANCE

2021 -

ROYAL SOCIETY OF MEDICINE (RSM) – SECTION OF UROLOGY

1. I am a council member and Past Senior Secretary of the RSM Section of Urology.
2. Past President for the Urology Section of the RSM for 2017/2018.

CHAIR UNITED KINGDOM CONTINENCE SOCIETY 2017 -

1. Produced minimum standards on continence care for commissioners 2016
2. Produced with subcommittee (chaired by Prof P Abrams) Standards for Urodynamic Assessment adopted internationally and published in Neurology and Urodynamics November 2018
3. Developing Minimum standards for Urodynamics units - due for publication late 2019

PAEDIATRIC CRITICAL CARE AND SPECIALISED SURGERY IN CHILDREN REVIEW – NHS ENGLAND

2018 – 2020

Urology Representative . Guidance published February 2020

MEDICOLEGAL EXPERIENCE

I have an extensive medicolegal practice which I have been practicing since 2004 . My areas of special interest are in Urology including general urology(including benign prostate surgery) , with special reference to benign reconstruction including incontinence surgery , neurourology and spinal injuries, gender surgery and paediatric urology . I produce 50-60 reports per year . These cases are split as follows:

1. Claimant 35%
2. Defendant 55%
3. Joint 10%

I have undertaken the following medicolegal courses:

Excellence in report writing
Courtroom skills
Cross examination
Clinical negligence essentials part 1 and 2
Medicolegal skills

CLINICAL EXPERIENCE

1. I am a national figure in sling incontinence surgery and widely lecture on this subject, both nationally and internationally. My clinical practice is now subspecialised, and about 75 percent is related to female urology (urinary incontinence and prolapse) and benign reconstruction including urogenital fistula, urethral diverticula and clam

cystoplasty and gender reconstructive surgery. Much of my surgical practise is re-do incontinence and prolapse and gender surgery.

2. I run dedicated services in Single Stop Continence Clinics, standard and video-urodynamics, and ambulatory urodynamics. I run a full service for patients with interstitial cystitis, including inferential therapy and electromotive drug administration and botulinum Toxin therapy for refractory detrusor hyperactivity, and have trained in neuromodulation. Charing Cross Hospital is a national referral centre for Gender Reconstructive Surgery and I with another colleague provide this service.
4. I run a twice monthly female urology clinics, and a twice monthly paediatric urology clinics and operating. I have a monthly combined female urology/urogynaecology clinic and operating lists. The unit participates in the regional North West Thames (NWT) pelvic MDT on a monthly basis and local unit MDT on a weekly basis. I partake in the twice monthly paediatric nephrourology meetings.

TEACHING AND TRAINING EXPERIENCE

Training Programme Director Urology South Thames (South West) 2006 – Present

1. *Surgical Tutor Kingston Hospital February 2009 – July 2014*
2. *Director of Medical Education Kingston Hospital 2009 – 2012*
3. *Deputy Director of Medical Education London 2010 - 2012*
4. *Core Surgical Training Committee London February 2009 – September 2013*
5. *Specialist Advisory Committee in Urology 2009 -2016*
6. *British Association of Urological Surgeons Education Committee 2011 – 2020*
7. *London School of Surgery Committee Member*
8. *Royal Society of Medicine Urology Section Past Senior Secretary*
9. *National Association of Clinical Tutors Secretary April 2011 – April 2013*
10. *Secretary BAUS Section of Female Urology January 2010 – January 2013*
11. *Chairman BAUS Section of Female Urology January 2013 – January 2016*
12. *Chairman SAC Urology January 2016 – March 2019*
