PRESENT POST Consultant Physician (Respiratory and GIM)
Russells Hall Hospital, Dudley, DY1 2HQ, UK

I was appointed as a Consultant in January 2004 in this busy Teaching hospital, affiliated to the University of Birmingham. We serve a predominantly deprived population and I see a very wide range of respiratory diseases. I am the lead for Pleural Diseases, Interstitial Lung Diseases, Respiratory Audit and Oxygen services and chair our Mortality and Morbidity meetings. I also support Lung Cancer, COPD Early Discharge, NIV and Medical High Dependency Unit services. I set up our Pleural and EBUS service.

I was a member of the BTS Interventional Procedures Specialist Advisory Group from December 2015 to March 2017. I carry out external lung cancer peer review on behalf on NHSE.

I achieved the Cardiff University Bond Solon Expert Witness Certificate (CUBS) in 2018.
