Experience

I am a Consultant Orthopaedic Surgeon working at University Hospitals Morecambe Bay NHS Foundation Trust, I have been working as a consultant in the NHS since August 2011. I am involved in all aspects of trauma care and I undertake regular on call duty for trauma. My elective work covers upper limb surgery.

After training at the Mersey Deanery and under the Welsh Orthopaedic training schemes, I passed the intercollegiate fellowship examination (FRCS) in Trauma & Orthopaedics in 2009 and completed CCT in 2011. I have also obtained the specialist fellowship in Orthopaedics and Trauma from Europe. I have a Masters in Orthopaedic Surgery (M.S) that I obtained in 1998 from Mumbai University, India. I also gained a post CCT fellowship in shoulder and elbow surgery at the Shoulder and Elbow Unit at Northern General Hospital, Sheffield. Over the years, I have published many peer-reviewed articles in journals on topics related to Trauma and Orthopaedics.

I have experience being an expert witness since 2011 and have provided reports on personal injuries and clinical negligence. My special interest is in trauma and upper limb surgery.
