CURRICULUM VITAE

Date: 31 October 2026

Name: Dr Michael Robson

Address for correspondence and consulting address:

Renal unit, 6th Floor Borough wing,
Guy's Hospital, Great Maze Pond, London SE1 9RT
Phone 07925 856001
Email: Robsonrenal@gmail.com

Present Appointment: Reader in Nephrology, King's College London and
Consultant Nephrologist, Guys ad St Thomas' NHS Trust

Areas of Expertise:

Acute and Chronic kidney disease, dialysis, kidney transplantation, high blood pressure. I have a particular expertise in immune-mediated disease such as systemic lupus erythematosus, vasculitis and glomerulonephritis.

GMC: 3659012 **Medical Indemnity:** MPS: 474546

Qualifications:

1989 B.A. (Oxon) Physiological Sciences First Class Honours
1992 MB BS
1995 MRCP
2000 PhD (Imperial College, University of London)

Membership of Societies:

UK Kidney Association
(Chair Clinical Practice Guidelines Committee: June 2017- June 2021)

Research interests:

In 2002 I took up a Wellcome Trust research fellowship alongside a consultant nephrologist position at Guy's and St Thomas' NHS trust. In 2008 I was appointed Senior Lecturer and in 2018 Reader in Nephrology (King's College London).

I have a long history laboratory-based and clinical research in immune-mediated kidney disease. I also have a research interest in vascular access for haemodialysis and led a UK wide clinical trial (PAVE trial) currently lead the PAVE2 trial.

Summary of Publications:

I have published many papers on laboratory-based and clinical research.
A list of publications is available here; https://www.kcl.ac.uk/people/michael-robson

Medicolegal training:

Bond Solon (Excellence in Report Writing); September 2020
Bond Solon (Annual conference): November 2024
Bond Solon (Court room skills): February 2025

Medico-legal:

I have been preparing medicolegal reports since 2016.

I currently prepare approximately 100 reports per year with approximately 90% for the claimant, 10% defendant.

I have not attended court before but am happy to do so if required.

My reports are usually on causation, condition/prognosis or life expectancy.

I can usually produce reports within 3 weeks of receipt of documents. Appointments (if required) are usually available within a week.

I am listed on the UK Register of Expert Witness (vetted) and the AvMA expert witness database.

Clinical Practice and Experience:

Since 2002 to the present time, I have been a consultant nephrologist at Guy's and St Thomas' NHS trust - a large renal unit in London. I have remained on the consultant inpatient and on-call rota since 2002. My clinical practice has covered all aspects of nephrology, dialysis and transplantation. I am the lead nephrologist in a large clinic for patients with lupus and vasculitis having established this clinic more than 10 years ago. I have over 20 years' experience of caring for patients on haemodialysis.

Prizes and Distinctions:

1987 Domus Scholarship St Peter's College, Oxford
1989 Senior Entrance Scholarship Charing Cross/ Westminster Medical School
1997 MRC Clinical Training Fellowship, Imperial College London
2002 Wellcome Trust Advanced Fellowship, King's College London
